

*“Here at H and L Automotive Ltd., we do more than auto repair and maintenance. We can customize and restore any ride you have and to prove it just check out our project cars web page. We believe we are the best because we offer our customers nothing but the best service from qualified professionals” - Chuck Harper December 2009*

Below is a major rust replacement on a 1966 F 350 work truck.

Rust replacement can be done on imports or domestics.
